

Our Georgian bars are a snap to use

the **complete** solution

Georgian bar cruciform detail

Snap-on Georgian Bars

- External and Internal Georgian bars, that snap in place, giving a more authentic look than 'in-unit' alternatives
 - Reduce production time
 - Fast, efficient installation on site if required
 - No adhesive tape required
 - An easy up-sell to consumers, and a good way to get ahead in the new build market
- Dedicated end cap and cruciform mouldings enable you to square cut the bars and simply snap into place
 - Aesthetically pleasing ovolo detail to the bar and end caps - suits both old and new installations
 - Available in woodgrain finishes as well as white

Georgian bars
