

the composite collection

style with strength

the composite collection

The Hurst Composite Door Collection is a breakthrough in door technology, combining proven levels of high security with incredible good looks...

...in fact, quite simply,
a door that possesses
superior style with strength.

Secured by Design

Official Police Security Initiative

Official police security initiative - The Composite Door set is available to meet the requirements of the Secured By Design Licence, the official Police initiative backed by the Home Office Crime Reduction Unit.

PAS 23

A traditional design combining spacer bars between the glass together with a grained external grille gives the door a truly authentic Georgian look.

Colour Options

composite **fire** door

The Hurst Composite Door is available
with full British Standard Fire Door
Certification on selected ranges.

Outwardly these doors are indistinguishable from the main range of composite doors, thereby offering a truly aesthetically pleasing door with an unsurpassed level of safety and peace of mind that will keep out both fire and intruders alike.

Unlike most fire doors the Hurst Composite range is available with specially developed PVC-U frames also conforming to BS476 fire regulations providing the benefit of a matching maintenance free frame to keep the entrance to your home in complete harmony.

- 30 minute Fire Door conforms to BS476:Part 22:1987
- Outwardly indistinguishable from Hurst's main range of composite doors
- Fan light options available conforming to British Standard Fire Door Certification
- Hung in a specially adapted PVC-U frame
- Fire retardant letterplates and door viewers are available to accompany the range
